add another unit to

Phoenix +14 (bookmaker)

Minnesota closed at -13.5 at tulsa the other night. Now they are -14 at Phoenix. Phoenix is at least 3 points better than Tulsa. I may lose this bet but this line in my opinion isn't accurate.

rock19912002 wrote on Fri, 06 July 2012 13:22What do y ou think about SA -4 on the road??

It's them or nothing in my opinion. Only thing holding me back is 3 rd game in 4 days for SA. I've taken it in the shorts backing Washington as a home dog in the last couple weeks, I won't do it again. That being said the spot couldn't be any better for them tonight rested, home and off a nice win.

Good luck whatever you play, I may get involved 2nd half but nothing for the full game for me.
